

Browser and Windows Updates (Daily)

In Chrome, click on the 3 vertical dots in the upper right hand corner:

Click on Settings:

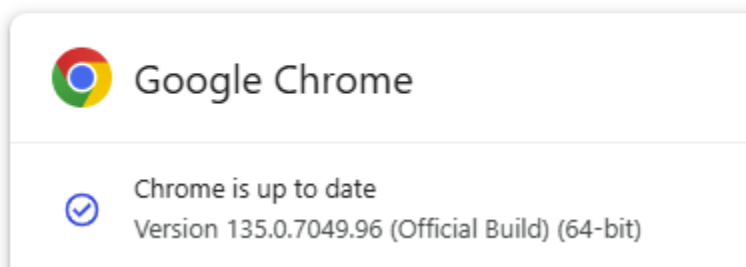

Click on About Chrome:

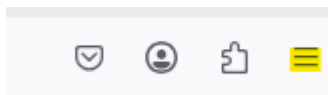

Chrome will automatically search for updates and inform you if it is up to date. Otherwise, it will update the browser for you:

About Chrome

In Firefox, click on the 3 horizontal bars in the upper right hand corner:

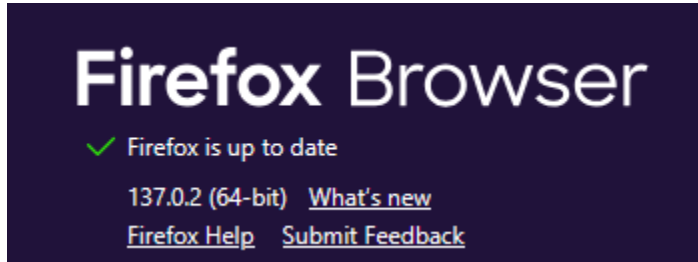

Click on Help:

Click on About Firefox:

[About Firefox](#)

A dialog box will pop-up and it will determine if Firefox is up to date:

Type Windows Update in the search bar and hit enter. Click on Check for updates:
