Dear Pooled Treasury Investment Fund Participant:

This letter will provide information required by Statement 31 of the Governmental Accounting Standards Board (GASB), "Accounting and Financial Reporting for Certain Investments and for External Investment Pools". As you are an external participant of the County of Santa Barbara's Pooled Treasury Investment Fund, we will provide the information necessary to prepare your financial statements in compliance with this pronouncement.

GASB 31 requires that we report to you the fair value of your deposits in the pool as of June 30, 2021. The fair value of your deposits is the pro-rated share of the market value of the investment pool if the investments were entirely liquidated at the end of the fiscal period. Funds held in the County of Santa Barbara's pool are typically held to maturity. In this context, the fair value that I am required to report to you contains unrealized gains and unrealized losses which will not occur and from which I will make no cash distributions.

Enclosed is the information necessary to prepare your financial statements for the fiscal year ended June 30, 2021 in compliance with GASB 31 as related to your investments with the County of Santa Barbara's Pooled Treasury Investment Fund.

Sincerely,

A handwritten signature in blue ink, appearing to read "H. E. Hagen", is written over the printed name.

Harry E. Hagen, CPA
Santa Barbara County Treasurer-Tax Collector
